About African Aura Mining Inc.

African Aura is an established African exploration and development company with a listing on the TSX-V (AUR) and on London's AIM (AAAM). African Aura is focused on the development of world-class iron ore and gold deposits in highly prospective, under explored countries of sub-Saharan Africa. The Company has a highly motivated and experienced team with a record of discovering mines and taking projects through development and into production in African.

African Aura's assets include the New Liberty gold deposit and the Putu iron ore project, both in Liberia. Putu is being explored and operated by the Company's Joint Venture partner, Severstal Resources (the mining division of OAO Severstal). Severstal Resources is one of the largest mining companies in Russia with EBITDA in 2008 of US\$859 million. The Company also has a 59% interest in diamond producer Stellar Diamonds Ltd. A pioneer in Africa, African Aura has attracted some excellent strategic partners and shareholders always with the objective of preserving or enhancing shareholder value.
